## Professional Profile

Mr Tekeli is a Consultant Facial Surgeon specialising in Facial Plastic Surgery. His private cosmetic surgery practice is based in Kent and London. He consults in London's Harley Street and private consulting suites in Kent and carries out facial plastic surgery at multiple hospitals in London & Kent.

Mr Tekeli's private practice is dedicated to facial plastic and cosmetic surgery and he firmly believes that site specific specialisation is crucial for long lasting, excellent results. He has an interest in nasal deformity and has been developing a complex nasal reconstruction service in the NHS for patients with nasal defects due to cancer, trauma or disease.

Mr Tekeli holds memberships with European Academy of Facial Plastic Surgery and British Association of Oral & Maxillofacial Surgery.
