Professional Profile

Mr Marcos Katchburian has been a Consultant in Trauma and Orthopaedics at Maidstone and Tunbridge Wells NHS Trust since 2002. His basic medical training took place in the UK and he completed his orthopaedic training in Brazil and In the UK. Following this he was a Fellow in Paediatric Orthopaedics at Great Ormond St Hospital and the Hospital de la Timone Enfants in Marseille and Hand Fellow at Queen Victoria Hospital in East Grinstead.

His elective practice is focused on hand surgery, paediatric orthopaedics and foot surgery. Mr Katchburian's paediatric orthopaedic practice encompasses most areas within paediatric orthopaedics and since 2002 he has developed MTW into a regional paediatric orthopaedic centre. This has included the development of multidisciplinary clinics at Maidstone Hospital, a Ponseti clinic for treatment of clubfoot and a one stop hip clinic for assessment and treatment of early developmental dysplasia of the hip. His special interests within this area include hip dysplasia and foot deformities. His main adult focus is within hand surgery dealing with common problems of the hand wrist and elbow and also foot surgery.
