

# Mr Rohit Jain

MBBS, MS(Orth), MRCSEd, FRCSEd (Tr & Orth), PG Diploma (Orthopaedic Engineering)

## NHS Practices

Medway NHS Foundation NHS Trust

## Professional Profile

Mr Rohit Jain is a fellowship-trained specialist in hip and knee replacement surgery.

Mr Jain has completed his specialist training on the North Western Deanery Training Program.

He has accomplished his subspecialist hip & knee arthroplasty training at the Orthopaedic and Arthritic Institute at Sunnybrook Health Sciences Centre in Toronto, Canada, one of North America's leading hospitals for musculoskeletal care, education and research.

This has been further complemented by Sir John Charnley Arthroplasty fellowship at the world-renowned Wrightington Hospital in Wigan- a centre of Orthopaedic excellence in UK.

His sub-specialist experience further includes BOA Transitional Lower Limb Arthroplasty Fellowship and the Academic Exchange Program at the world renowned EndoKlinik in Germany which has achieved a worldwide reputation due to its outstanding competence in the treatment of diseases of the musculo-skeletal system.

Mr Jain has been actively involved in teaching and training medical students and is the clinical and educational supervisor for junior doctors at SHO & SpR levels.

His training portfolio includes a PG Thesis, 6 research projects, 5 high quality audits, 8 national presentations, 13 local presentations, 7 publications and 53 training courses. He is a trainer on 2 national courses and is on the panel of reviewers for the Bone and Joint

Journal.
