

Mr Syed S. Ahmed

MBChB, LL.M, MSc, FRCS (Tr & Orth.)

NHS Practices

Maidstone and Tunbridge Wells NHS Trust

Professional Profile

Mr. Ahmed is a Consultant Orthopaedic Surgeon in Maidstone and Tunbridge Wells NHS Trust.

He completed his Higher Surgical Training in Trauma & Orthopaedics in Kent, Surrey and Sussex. He then went on to gain international experience in Toronto to further sub-specialise in lower limb arthroplasty. Following this, he worked at University College London Hospital gaining significant experience in complex hip and knee replacements, revision hip surgery and robotic hip and knee arthroplasty.

He is an active member of the British Orthopaedic Association, British Hip Society and European Hip Society.

Awards

1. The British Hip Society Travelling Fellowship. He was one of two orthopaedic surgeons to be awarded the prestigious BHS Fellowship in 2019. This gave him the unique opportunity to gain experience at the internationally renowned Hospital for Special Surgery (HSS) in New York.
2. Current Concepts in Joint Replacement Scholarship to attend their meeting in Florida, USA - December 2019.
3. European Hip Society Travelling Fellowship Invited to visit specialist orthopaedic units in Italy.
